

Sangamon Valley RC Flyers Club

Lincoln Land Community College

Radio Control Airplanes!

LLCC and the SVRC Flyers are sponsoring two Community Learning classes about Radio Control Airplanes!

April 3—*Try Flying A Radio Control Airplane* \$12 fee

Fly an electric airplane under the direction of an instructor inside Cass Gym.

Course codes are CEW 113-45E (adult) and YES 112-45E (ages 12-17)

April 17, 24 and May 1—*Introduction to Radio Control Airplanes* \$36 fee

A mini ground school with hands on activities. Last session is at Holmes Field where students will fly large fuel powered planes under the direction of an instructor.

Course codes are CEW 121-45 (adult) and YES 112-45 (ages 12-17)

To register, call LLCC Registration Services at 217.786.2292 and tell them you want to fly radio control airplanes!
