August 2005 Meeting Minutes

The monthly meeting of Sangamon Valley Rc Flyers was held at the field starting at 7:00 p.m. Mike Behl called the meeting to order with 11 members present. The first order of business was to read the minutes of the June and July minutes. This was the second time that the June minutes had been read and the first time that July minutes had been read. There were two corrections to the July minutes. There were five new members voted in at the July meeting instead of four as stated in the minutes and the profit stated in the minutes from the Open House were overstated because the Gliders purchased from Hammers Hobbies and the pilot stations had not been deducted from the total. The minutes were approved as read with the corrections.

Mike Behl Reported on our Round Robin get together which was poorly attended because of the hot weather but we still made \$52.00 on food sales according to Ross Ely.

We had reported in error that the Round Robin for Knights of the Air would be on August 20th when in fact it was held on August 6th. We apologized to Knights of the Air for not attending. It was reported that Knights of the Air have built some Flight Tables that are a variation of ours.

Christian Country Prop Dusters will be having their Open House on Saturday August 27th with a rain date of Sunday August 28th at their field in Taylorville from 10:00 a.m. to 6:00 p.m.

The Superman Jet Rally will be held the first weekend in October at Metropolis, Illinois.

A new member was voted into our club at this meeting. His name is Jack O'Keefe.

Bill Busch won the 50/50 drawing and the meeting was adjourned at 7:35 p.m.
